

**Date: March 9, 2020**

**To: All IPLLA and IICC Members**

**From: Bob Andrews  
Executive Director**

**Subject: Backflow Tester License – “Active Inspector List”**

**This e-mail is specifically directed to members of the Indiana Irrigation Contractors Council and the Indiana Professional Lawn & Landscape Association who are Certified Irrigation Backflow Testers. Please read!**

**As we prepare to enter the 2020 spring season, we call your attention to those members who are Registered Cross Connection Control Device Inspectors licensed by the Indiana Department of Environmental Management.**

**It is important that you keep your contact information up-to-date so that you are currently listed on the department’s “Active Inspector List”.**

**You may check your status by going to <https://mylicense.in.gov/everification/Search.aspx> and follow the prompts. Your license should be shown on the “Active Inspector List” if your contact information is current with IDEM.**

**If your name and license appear on the “Inactive Inspector List”, you need to complete the attached document and return it to IDEM at the address shown. There is no charge to do so, but it is in your best interests to be sure that your contact information is always up-to-date. We also recommend that you print and keep a copy of the document for your personal records.**

**PLEASE NOTE AGAIN THAT THIS MEMO ONLY APPLIES TO BACKFLOW TESTER LICENSE HOLDERS.**
